#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors American Medical Association Foundation Chicago, Illinois

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the American Medical Association Foundation which comprise the statements of financial position, as of June 30, 2020 and 2019, and the related statements of activities and cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the American Medical Association Foundation, as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

<u>June 30, 2020 and 2019</u>

#### **NOTE A - NATURE OF ORGANIZATION**

The American Medical Association Foundation (the "Foundation") was established in 1957, as an Illinois not-for-profit corporation, with the goals of advancing science, setting medical education standards, and launching medical ethics and public health programs. Since that time, the organization has played a crucial role in the development of medicine in the United States and has worked to create a healthier future for patients, including advocating against racial and ethnic disparities in healthcare.

The American Medical Association's ("AMA") mission is to promote the art and science of medicine and the betterment of public health.

The AMA Foundation is the philanthropic arm of the AMA; a 501(c)3 dedicated to recognizing outstanding medical leaders and supporting innovative community health initiatives.

The AMA Foundation's mission is to bring together physicians and community to improve our nation's health.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 1. Basis of Accounting

The financial statements of the Foundation have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications (see Note B-10):

*Net assets without donor restrictions*: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and board of directors.

*Net assets with donor restrictions*: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature: those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. Contributions that are donor-restricted for which the restriction is satisfied in the same reporting period are classified as without donor restrictions.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 2. <u>Cash Equivalents</u>

The Foundation considers all highly liquid investments with maturities of three months or less, at the date of purchase, to be cash equivalents.

#### 3. Investments

Investments are reported at their fair values in the statements of financial position (see Note D). Unrealized and realized gains and losses are included in the statements of activities. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with such investments, it is at least reasonably possible that changes in risks in the near-term would affect investment balances and the amounts reported in the financial statements.

#### 4. Contributions

Contributions and grants, including unconditional promises to give, are measured at their fair values and are reported as increases in net assets and receivables, if not yet received.

The Foundation recognizes the estimated fair value of donated items as both revenue and expense in the period received if either (a) a nonfinancial asset is created or enhanced or (b) the Foundation would have more likely than not purchased the goods if not otherwise provided.

The Foundation records unconditional promises to give expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. The Foundation determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Contributions receivable are written off when deemed uncollectable.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4. <u>Contributions</u> (Continued)

The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are restricted as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted revenue.

The Foundation reports gifts of goods and equipment as assets without donor restrictions revenue unless explicit donor stipulations specify how the donated assets must be used. When applicable, gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as asset with donor restricted revenue.

#### 5. Grants Payable

Grants payable represent unconditional promises to give cash and are recorded as liabilities when they are authorized by the Board of Directors. Grants that are payable in one year or less are recorded at their net settlement value. All grants payable at June 30, 2020 and 2019 are payable in one year or less. There were no conditional promises to give as of June 30, 2020 and 2019.

#### 6. <u>Use of Estimates</u>

In preparing financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### 7. Investment Income

Investment income is allocated annually to assets with donor restrictions if stipulated by the original donor. The allocation is based on the average assets with donor restricted balances for the year.

NOTES TO FINANCIAL STATEMENTS

<u>June 30, 2020 and 2019</u>

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 8. Functional Allocation of Expenses

The cost of providing the Foundation's programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, costs associated with a specific program are charged directly to that program or supporting service. Costs that benefit more than one program or supporting service have been allocated among the programs and supporting services benefited based on an equitable basis.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 9. <u>Income Taxes</u>

The Foundation is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3).

Accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to evaluate tax positions by the Foundation and recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities.

Management has analyzed the tax position taken by the Foundation and has concluded that as of June 30, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of liability or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 10. Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash equivalents, contributions receivable, and accounts payable and accrued expenses approximate fair value due to the nature of short maturity of these instruments. Investments are valued at fair value as described in Note D.

It is the Foundation's policy, in general, to measure nonfinancial assets and liabilities at fair value on a nonrecurring basis. These items are not measured at fair value on an ongoing basis, but are subject to fair value adjustments in certain circumstances (such as evidence of impairment) which, if material, are disclosed in the accompanying notes to the financial statements.

#### 11. New Accounting Pronouncement

#### Contributions Received and Contributions Made

The Foundation adopted Accounting Standards Update (ASU) No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (Topic 958). Adoption of this standard did not result in a change in the timing or amount of revenue recognized, and therefore the adoption of this standard did not have a material impact on the financial position, results of operations, or business practices of the Foundation.

NOTES TO FINANCIAL STATEMENTS

<u>June 30, 2020 and 2019</u>

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 12. Significant Accounting Standards Applicable in Future Years

#### Revenue Recognition

The Financial Accounting Standards Board (FASB) issued ASU 2014-09, *Revenue from Contracts with Customers*, (Topic 606) (ASU 2014-09), in May 2014. ASU 2014-09 sets forth a new five-step revenue recognition model that will require the use of more estimates and judgment. ASU 2014-09 will replace current revenue recognition requirements in Topic 605, *Revenue Recognition*, in its entirety. The standard also requires more detailed disclosures and provides additional guidance for transactions that were not addressed completely in prior accounting guidance. ASU 2014-09 is effective for annual financial statements issued for fiscal years beginning after December 15, 2019, and should be applied retrospectively in the year the ASU is first applied using one of two allowable application methods.

ASU 2014-09 is effective for the Foundation's June 30, 2021 financial statements and thereafter. Management is currently evaluating the effect that ASU 2014-09 will have on the Foundation's financial statements.

#### NOTE C - AVAILABILITY AND LIQUIDITY

As of June 30, 2020 and 2019, the following tables shows the total financial assets held by the Foundation and the amounts of those financial assets could be readily be made available within one year of the statement of financial position date to meet general expenditures:

Financial assets at year end:		2020		2019
Cash and cash equivalents	\$	1,764,093	\$	1,963,464
Contributions receivables, net		1,057,349		1,422,374
Investments		22,680,204		23,620,509
Total financial assets	\$	25,501,646	\$	27,006,347
	=		=	
Financial assets available to meet general expenditures over the next 12 months				
Cash and cash equivalents	\$	1,764,093	\$	1,963,464
Contributions receivables, net of allowance		289,940		655,235
Investments not encumbered by donor or board restrictions		13,922,758		15,246,760
	_			
Total financial assets available to meet general expenditures over				
the next 12 months	\$_	15,976,791	\$	17,865,459

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE C - AVAILABILITY AND LIQUIDITY (Continued)

The Foundation regularly monitors liquidity required to meet its operating needs and other contractual commitments, while striving to maximize the investment of its available funds. The Foundation has various sources of liquidity at its disposal, including cash and cash equivalents and investments. As part of its fiduciary duties, the AMA Foundation Board of Directors remain committed to improving the operational efficiencies of the organization. More specifically, the Board unanimously approved an extended version of its 2017-2019 Strategic Plan, Strat Plan 2.0, for fiscal years 2020 through 2022, which includes the following goals:

#### **Programming Goal:**

By the end of FY22, the AMA Foundation – validated through measurable outcomes – will have further demonstrated its reach and impact, with adaptable program models that can be shared for replication among our community stakeholders.

#### **Financial Goal:**

By the end of FY22, the AMA Foundation will build upon its sustainable revenue model in order to maintain financial stability while strengthening key performance indicators (as reported by charity monitoring services) and increasing our charitable mission.

#### **Community Goal:**

By the end of FY22, the AMA Foundation will have expanded and enriched its community engagement through new and strengthened relationships and collaborations. Now moving into its third year, its Community Health Program is focused on health equity by improving health outcomes among our most vulnerable populations.

#### NOTE D - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the accounting standards are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE D - FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Inputs to the valuation methodology include the following:
  - \* Quoted prices for similar assets or liabilities in active markets;
  - \* Quoted prices for identical or similar assets or liabilities in inactive markets;
  - \* Inputs other than quoted prices that are observable for the asset or liability;
  - \* Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Foundation's investments measured at fair value:

Common stocks and equity mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Fixed income, corporate bonds and U.S. government bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

# NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth the Foundation's investments measured at fair value on a recurring basis and the basis of measurement as of June 30, 2020 and 2019:

	Investments at Fair Value as of June 30, 2020

Grants for physicians of tomorrow scholarship program		69,306		135,203
Grants for the study of cardiovascular disorders		-		738
Dr. Richard Allen Williams and Genita Evangelista Johnson/ABC Fund		90,505		93,605
Grants for the study of neoplastic disorders		1,609		1,609
Honor Funds		65,759		1,351,516
Grants for other trusts and research		129,052		396,639
Perpetual in nature (see Note I)		8,274,356	_	6,176,981
			_	
	\$_	8,757,446	\$_	8,306,742

#### NOTE H - NET ASSETS RELEASED FROM DONOR RESTRICTIONS

During 2020 and 2019, the following net assets were released from donor restrictions by satisfying the stated restricted purposes, the passage of time or by occurrence of other events specified by donors:

	 2020		2019
General Scholarship Fund Awards	\$ 2,793	\$	-
Grants for research on women in medicine program	21,672		21,094
Grants for physicians of tomorrow scholarship program	64,263		1,428
Dr. Richard Allen Williams and Genita Evangelista Johnson/ABC Fund	3,100		-
Honor Funds	90,248		50,491
Grants for community health program, other trusts and research	 81,090		137,408
	\$ 263,166	\$_	210,421

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE)

Net assets with donor restrictions that are perpetual in nature include the following endowment funds:

The General Endowment Fund was established with a required initial matching contribution by the Foundation. Earnings on the endowment are available for unrestricted purposes.

The Named Funds are restricted in perpetuity by the individual donors for the programs of their choosing including medical scholarship, community health programs, and unrestricted purposes.

Honor Funds

When Honor Fund contributions reach \$25,000, a permanent endowment fund is established.

The Alliance Grassroots Honor Fund was established to help fund the Foundation's public health and medical education programs. The earnings of the Fund will support the Foundation's Physicians of Tomorrow scholarship program, specifically to students with an interest in and commitment to women's and/or children's health issues.

The Ohio Honor Fund was established to help fund the Foundation's public health and medical education programs. The earnings of the Fund provide support to Ohio medical students.

The Ronald M. Davis, MD Legacy Honor Fund was established to help fund the Foundation's public health and medical education programs. The earnings of the Fund will support pancreatic cancer research.

The California / Ronald P. Bangasser, MD Memorial Honor Fund was established to help fund the Foundation's medical education programs. The earnings of the Fund provide support to medical students in California.

The North Central Medical Conference / Kenneth Viste, MD Memorial Honor Fund was established to help fund the Foundation's medical education programs. The earnings of the Fund support the Foundation's Physicians of Tomorrow scholarship program, supporting medical students in the North Central region of the United States.

The Medical Society of the State of New York / Dr. Duane and Joyce Cady Honor Fund was established to help fund the Foundation's medical education programs. The earnings of the Fund support the Foundation's Physicians of Tomorrow scholarship program, supporting medical students in New York.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE) (Continued)

Honor Funds (Continued)

The International Medical Graduates Honor Fund was established to help fund the Foundation's health literacy programs. The earnings of the Fund will support the Foundation's community health initiatives.

The Council on Medical Service Honor Fund was established to help fund the Foundation's public health or medical education programs. The earnings of the Fund support community health initiatives.

The Council on Legislation Honor Fund was established to help fund the Foundation's Leadership Development Institute. The earnings of the Fund support the Foundations Leadership Development Institute program.

The Oklahoma Honor Fund was established to help fund the Foundation's medical education programs. The earnings of the Fund support the Foundation's Physicians of Tomorrow scholarship program, supporting medical students in Oklahoma.

The Illinois Honor Fund was established to help fund the Foundation's medical education programs. The earnings of the Fund provide support for Illinois medical students who are actively involved in organized medicine.

The Indiana Honor Fund was established to help fund the Foundation's Leadership Development Institute. The fund currently is distributing \$5,000 annually regardless of funding level in support of the Leadership Development Institute. The Fund will solidify their program choices when the fund reaches \$250,000.

The Missouri Honor Fund was established to help fund the Foundation's public health programs. Earnings of the Fund will provide support for Missouri patients through the Foundation's public health programs.

The Formica-Riggs New Jersey Honor Fund was established to help fund the Foundation's medical education programs. The earnings from the Fund support the Foundation's Physicians of Tomorrow scholarship program, and will become more closely designated to support medical students in New Jersey.

The Western Mountain Past Presidents Honor Fund was established in fiscal year 2018. The fund will solidify their program choice before the fund reaches \$250,000.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE) (Continued)

Honor Funds (Continued)

The LGBTQ Honor Fund was established to support AMA Foundation initiatives that address LGBTQ healthcare disparities. The earnings from the Fund will support fellowships that graduate specialists in LGBTQ Health.

The Mary Francis Alexander Fund was established to provide scholarships for medical students through the earnings of the Fund.

The Dr. Johnson F. Hammond Memorial Fund was established to provide an annual scholarship for a medical student of high moral character through the earnings of the Fund.

The Lurah L. Weaver Memorial Fund represents the residual value of the estate of Lurah L. Weaver. The terms of the will provide that only realized income from this Fund can be used for unrestricted purposes.

The Vandenberg Health Equity Fund was established in fiscal year 2020. The fund permanently establishes the David Jones Peck, MD Health Equity Scholarship as well as the Dream MD Equity Scholarship.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE) (Continued)

Honor Funds (Continued)

The balance of each of the funds of net assets with donor restrictions that were perpetual in nature as of June 30, 2020 and 2019 is as follows:

		2020	_	2019
General Endowment Fund	\$	322,610	\$	322,610
Named Funds	Ψ	2,798,105	Ψ	1,406,646
Honor Funds		2,798,103		1,400,040

Vandenberg Health Equity Fund	_	461,269	_	
	\$_	8,274,356	\$_	6,176,981

Nineteen individual funds comprise the grouped Named Funds in the table above. Also, decreases in fund balances above are due to instances where administrative fees assessed to the fund are greater than annual investment returns allocated to the fund.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE) (Continued)

Honor Funds (Continued)

#### Interpretation of Existing Relevant State Law

The Board of Trustees has interpreted the Illinois Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are stipulations to the contrary. As a result of this interpretation, the Foundation retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts) donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

#### **Endowment Spending Policies**

The Foundation has a policy of appropriating for expenditure for its various programs, including endowed programs, of up to 5% of the three-year average of the year-end market value of its total investment portfolio.

#### **Endowment Investment Policies**

The Foundation's current endowments do not have any specifically related investments. Amounts received from restricted donations are pooled with other investments of the Foundation and are subject to the general investment policy of the Foundation as described below.

The Foundation's assets are invested for the sole purpose of improving the health of Americans through philanthropic support of quality programs in public health and medical education.

The investment policy attempts to establish an asset allocation that provides adequate returns at an acceptable level of risk while complying with all applicable state and federal laws and regulations.

The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term investment return objectives within prudent risk constraints.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE I - NET ASSETS WITH DONOR RESTRICTIONS (PERPETUAL IN NATURE) (Continued)

Honor Funds (Continued)

#### Endowment Investment Policies (Continued)

The Foundation's short-term liquidity needs are expected to be provided through a combination of investment income and contributions. The Foundation's long-term investment rate of return goal is to earn an average annual rate of return over rolling five-year periods that exceeds the rate of inflation by at least 5% per year. Actual returns in any given year may vary from this amount.

#### NOTE J - AFFILIATED ORGANIZATION

The Foundation and the American Medical Association (the "AMA") are organizations affiliated through common members of their respective boards. The Foundation receives some of its management, development and operating support from the AMA and reimburses the AMA for direct expenses incurred. The total amount of expenses incurred with the AMA for the years ended June 30, 2020 and 2019 was \$1,311,579 and \$1,438,205, respectively. Amounts due to the AMA, included in accounts payable and accrued expenses, was \$106,781 and \$111,231 as of June 30, 2020 and 2019, respectively.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

#### NOTE K - CONCENTRATIONS OF CREDIT RISK

The Foundation maintains its cash balance at a banking institution in Chicago, Illinois. This balance is guaranteed by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. The Foundation may, from time to time, have a balance in excess of FDIC insured deposit limits.

#### NOTE L - IN-KIND CONTRIBUTIONS

The Foundation received certain administrative support services and a master membership listing from the AMA. The Foundation recorded \$267,428 and \$267,428 for the years ended June 30, 2020 and 2019, respectively, for these services and gifts, as in-kind contributions and expenses.

#### NOTE M - FUNDRAISING EXPENSES

Fiscal year 2019 fundraising expenses on the statement of functional expenses includes \$277,632 of one-time specific event expenses. Fiscal year 2020 and 2019 fundraising expenses on the statements of functional expenses also include \$137,000 of the expense related to the master membership listing from the AMA (Note L).

# NOTE N - RISKS AND UNCERTAINITY

The direct and indirect impacts of the current COVID-19 outbreak on the Foundation's investment and donors are currently unknown, as is the duration and severity of any impacts that the Foundation may experience. Management is currently unable to quantify the effects that this situation will have on its operations, cash flows, and financial position; however, they may be significant. No adjustments relating to the effects of COVID-19 have been recorded in these financials statements.

#### NOTE O - SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 22, 2021, the date that these financial statements were available to be issued. Management has determined that no events or transactions have occurred subsequent to the statement of financial position date that require disclosure in the financial statements.
